THE VALLEYS
CARE HOME

Visiting Update from 19th July 2021

- **Bookings still to be made for each visit including evenings and weekends**
- **Visitors must take a lateral flow test daily before each visit**
- **PPE is still to be worn by all visitors, with the exception of gloves, but hands must be sanitised on entry and exit**
- **There is no limit on the number of named visitors that a single resident can have and no nationally set limit on the number that can visit within a single day**
- **Physical contact like hand holding is acceptable if hand washing is carried out. Close personal contact such as hugging presents higher risk but will be safer if there is brief contact only.**
- **Visiting arrangements for friends and families can be made through a variety of areas, garden, pod, window etc**
